

FOR IMMEDIATE RELEASE

A True Story... How I Survived My Life with a Psychopath, by Jacquelyn White, is for the millions of people screaming for change, awareness and insight to bring safety and justice to our world.

For Immediate Release – (Victoria, Australia. – September 30th, 2014) Jacquelyn White's ***A True Story... How I Survived My Life with a Psychopath*** is powerfully moving, deeply engaging and written with raw honesty, this book is well worth the read - an autobiography written by an average person, living an extraordinary life.

Jacquelyn tells this story in a very unique and compelling style of writing which leaves the reader unable to put the book down as they wonder, "Then what happens?" It is an amazing tale of survival as Jacquelyn moves heaven and earth in an unbelievable battle for her freedom. To actually become, "free" she almost loses her life and must sacrifice all she has.

This is a story of a Mother's unconditional love for her children. The children she is willing to die for to protect, as she overcomes the chains that bind her. It is a tale of hope and leaves the reader with a deep appreciation for their own journey and a new found inspiration for living.

The story is made all the more powerful by the legal evidence she has provided in the book to support her claims. This evidence has been fully admitted to in court and is now a matter of public record. The recorded evidence is chilling as it gives a rare insight into the mind of a monster, as it is written in his very own hand on his business letter head.

Jacquelyn also offers a detailed insight into the systems that she and many others have had to navigate through. She hopes this book may someday help to change some of the laws surrounding these issues.
